## Introducing the richer, more refined La Floridita

Our bestselling La Floridita selection now offers you a much more refined blend in an exclusive new limited edition presentation.

Made exclusively for Famous Smoke Shop at Plasencia's Tabacos de Oriente factory in Danli, Honduras, La Floridita LE has a robust core of three diverse Nicaraguan leaves balanced by a sweet Mexican leaf and a mild Indonesian binder. But the piece de resistance of these cigars is the dark, oily Brazilian Mata Fina wrappers. These rare leaves are so superior in quality and flavor that they're held aside expressly for use on limited edition cigars. The result is a La Floridita cigar with decidedly more depth, excellent balance, and a heady, captivating aroma.

## "Mild thing, you make my heart sing"

In the tradition of great mild cigars, Caridad is hand-made in the Dominican Republic. It's an exceptionally smooth smoke available in two wrappers: the Connecticut version is toasty and woody with a note of sweetness on the finish, while the Sumatra adds a mild smack of earthiness.
